Parent Consultations

The school shall conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under this part consistent with section 1116. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

Certifications

The school will inform/notify parents (in a timely manner) of each student attending a Title I school that they have the right to request information about their child's classroom teacher and, if applicable, the services provided by their paraprofessionals, as well as the paraprofessionals qualifications.

The school will notify parents when a child is taught for 4 or more consecutive weeks by a teacher who is non-state certified or state-certified but teaching out-of-field by providing a written notification to each parent in a timely manner. This notification should be timely and in letter form on school letterhead. Newsletters are not always timely and bring about providing information about a teacher's qualification for a specific classroom or grade that does not affect all parents.
