INDEPENDENT AUDITOR'S REPORT

Board of Directors Oak Creek Charter School of Bonita Springs Bonita Springs, Florida

Opinions

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Oak Creek Charter School of Bonita Springs (the "School"), a charter school and a component unit of the District School Board of Lee County, Florida, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of Oak Creek Charter School of Bonita Springs, as of June 30, 2022, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic

financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated August 30, 2022 on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Academy's internal control over financial reporting and compliance.

Management's Discussion and Analysis

Oak Creek Charter School of Bonita Springs, Inc. June 30, 2022

The corporate officers of Oak Creek Charter School of Bonita Springs, Inc. (the "School") have prepared this narrative overview and analysis of the School's financial activities for the fiscal year ended June 30, 2022.

FINANCIAL HIGHLIGHTS

- 1. At year-end, the School had current assets of \$2,162,879, which includes \$1,499,801 of cash restricted for debt service and capital projects.
- 2. At year-end, the School's fund balance was \$1,856,630.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the School's basic financial statements. The School's financial statements for the year ended June 30, 2022 are presented in accordance with GASB Codification Section 2200. The financial statements have three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other required supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The *Government-Wide Financial Statements* are designed to provide readers with a broad overview of the School's finances, in a manner similar to a private-sector business.

The *Statement of Net Position* presents information on all of the School's assets and liabilities. The difference between the two is reported as *net position*. Over time, increases or decreases in net position may serve as an indicator of whether the financial position of the School is improving or deteriorating.

The Statement of Activities presents information on how the School's net position changed during the fiscal year. All changes in net position are reported as soon as the underlying event resulting in the change occurs, without regard to the timing of related cash flows. Accordingly, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements can be found on pages 10 - 11 of this report.

Fund Financial Statements

A "fund" is a collection of related accounts grouped to maintain control over resources that have been segregated for specific activities, projects, or objectives. The School, like other state and local governments, uses fund accounting to ensure and report compliance with finance-related legal requirements. All of the funds of the School are governmental funds. *Governmental Funds* are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements.

Governmental Fund financial statements, however, focus on *near-term* inflows and outflows of spendable resources, as well as on the balances of spendable resources which are available at the end of the fiscal year. Such information may be used to evaluate a government's requirements for near-term financing.

Prior to the start of the School's fiscal year, the Board of the School adopts an annual budget for all of its governmental funds, if applicable. A budgetary comparison statement has been provided for the School's governmental funds to demonstrate compliance with the School's budget. The basic governmental fund financial statements can be found on pages 12 - 15 of this report.

Notes to Financial Statements

The notes to the financial statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

The notes to the financial statements can be found on pages 16 - 27 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, over time, net position may serve as a useful indicator of the School's financial position. A summary of the School's net position as of June 30, 2022 and 2021 follows:

The School's total revenues for the year ended June 30, 2022 were \$6,532,782 while its total expenses were \$7,054,189 for a net decrease of \$521,407. The School had a deficit in net position at year-end of \$24,968. The School's depreciation and interest expense increased by \$384,736 and \$706,970, respectively, as the result of the acquisition of their facility via bond issuance in prior year.

SCHOOL LOCATION

The School operates in the Bonita Springs area located at 28011 Performance Lane, Bonita Springs, FL, 34135.

CAPITAL IMPROVEMENT REQUIREMENT

The School maintains a continuous capital improvements program to enhance facilities and update fixtures and equipment as required.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUND

As noted earlier, the School uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

GOVERNMENTAL FUNDS

The focus of the School's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the School's financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

For the year ended June 30, 2022, the School's governmental funds reported a deficit in its change in fund balance of \$1,178,435 and reported a combined fund balance at year-end of \$1,856,630.

CAPITAL ASSETS

The School's investment in capital assets, as of June 30, 2022, amounts to \$15,441,773 (net of accumulated depreciation). This investment in capital assets includes facilities, improvements, vehicles, furniture, fixtures and equipment. Capital assets net book value increased by \$639,597 mainly due to the net effect of significant facility improvements and the acquisition of other capital assets of \$1,280,203 and \$640,606 in depreciation expense.

LONG-TERM DEBT

In March 2022, the School issued tax-exempt revenue bonds for \$17,090,000 (Series 2022A) and \$735,000 (Series 2022B), which are secured by their related reserve and indenture subaccounts. The bonds were issued to finance the acquisition, improvements, and related financing costs of the School's educational facilities.

The School also entered into note payable arrangements in prior years for \$117,964 for the purchases of buses. The balance on these note payable arrangements totaled \$60,848 at June 30, 2022. In addition, the School financed certain equipment through a capital lease totaling \$51,670 in the prior year at a rate of 6%. The balance at June 30, 3022 totaled \$28,007.

During the year ended June 30, 2020, the School received loan proceeds from a financial institution for \$424,780 pursuant to the Paycheck Protection Program. The loan was forgiven in its entirety during the prior year ended June 30, 2021.

GOVERNMENTAL FUND BUDGET ANALYSIS

Prior to the start of the School's fiscal year, the Board of the School adopted an annual budget. A budgetary comparison statement has been provided for the governmental funds to demonstrate compliance with the School's budget.

OAK CREEK CHARTER SCHOOL OF BONITA SPRINGS, INC. RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES JUNE 30, 2022

Change in Fund Balance - Governmental Funds

\$ (1,178,435)

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as a depreciation expense. In addition, various transactions involving capital assets decrease or increase net position as follows:

Capital outlays
Depreciation expense

1,280,203 (640,606)

Proceeds from issuance of long-term debt are reported as an other financing source in the governmental funds. However, in the statement of net position, the amount of funds borrowed is reported as an increase in notes payable. Similarly, repayment of principal is an expenditure in the governmental funds, but reduces the liability in the statement of net position. Also, governmental funds report the effect of premiums discounts and debt issuance costs, wheres these amounts are deferred and amortized in the statement of activities.

NOTE 1 – ORGANIZATION AND OPERATIONS

Reporting Entity

Oak Creek Charter School of Bonita Springs, Inc. (the "School") is a charter school sponsored by the School Board of Lee County, Florida (the "District") and is a component unit of the District. The School's charter is held by Oak Creek Charter School of Bonita Springs, Inc., a not-for-profit corporation, organized pursuant to Chapter 617, Florida Statutes, the Florida Not For Profit Corporation Act, and Section 1002.33 Florida Statutes. The School is governed by a Board of Directors composed of three members.

The general operating authority of the School is contained in Section 1002.33, Florida Statutes. The School recently renewed their charter for a term of five years beginning July 1, 2019 through June 30, 2024. The charter may be renewed as provided in Section 1002.33 or 1002.331, Florida Statutes, upon mutual consent between the School and the District and execution of a written renewal. At the end of the term of the charter, the District may choose not to renew the charter under grounds specified in the charter, in which case the District is required to notify the School in writing at least ninety days prior to the charter's expiration. The School contract provides, in the event the School is dissolved or terminated, any unencumbered funds and all School property purchased with public funds revert to the District. During the term of the charter, the District may also terminate the charter if good cause is shown.

These financial statements are for the year ended June 30, 2022, when approximately 540 students were enrolled in grades Kindergarten through 8th grade.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Based on the guidance provided in the American Institute of Certified Public Accountants Audit and Accounting Guide – Audits per State and Local Governments and provisions of Florida Statutes, the School is presented as a governmental organization for financial statement reporting purposes under standards set by the Governmental Accounting Standards Board ("GASB").

Government-wide and Fund Financial Statements

Government-wide Financial Statements

The government-wide financial statements include the statement of net position and the statement of activities. These statements report information for the School as a whole. Both statements report only governmental activities as the School does not engage in any business type activities. These statements do not include fiduciary funds.

The statement of activities reports the expenses of a given function offset by program revenues directly connected with the functional program. A function is an assembly of similar activities and may include portions of a fund or summarize more than one fund to capture the expenses and program revenues associated with a distinct functional activity. Program revenues include: (1) charges for services which report fees, (2) operating grants and contributions which finance annual operating activities, and (3) capital grants and contributions which fund the acquisition, construction, or rehabilitation of capital assets. These revenues are subject to externally imposed restrictions to these program uses. Other revenue sources not properly included with program revenues are reported as general revenues.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-wide and Fund Financial Statements (Continued)

Fund Financial Statements

Fund financial statements are provided for governmental funds. The operations of the funds are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, equity, revenues, and expenditures. Major individual governmental funds, namely, the general, special revenue, debt service, and capital project funds are reported as separate columns in the fund financial statements:

The School utilizes the following major governmental funds:

<u>General Fund</u> – is the School's primary operating fund. The General Fund accounts for all financial resources not accounted for and reported in another fund.

<u>Special Revenue Fund</u> – used to account for the proceeds of specific revenue sources that are restricted or committed to expenditure for specific purposes other than debt service and capital projects, such as the federal lunch program and other federal grants (including COVID-19 emergency relief funding).

<u>Debt Service Fund</u> – used to account for financial resources that are restricted, committed, or assigned to expenditures for principal and interest.

<u>Capital Projects Fund</u> – used to account for financial resources used for the acquisition or construction of major capital facilities, and for the proceeds and related expenditures of charter school capital outlay funding.

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The financial statements of the School are prepared in accordance with generally accepted accounting principles (GAAP). The School's reporting entity applies all relevant Governmental Accounting Standards Board (GASB) Codification of Accounting and Financial Reporting Guidelines.

The government-wide statements report using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Revenues from non-exchange transactions are reported according to Governmental Accounting Standards Board (GASB) Codification Section 1600.111 and Section N50 "Accounting and Financial Reporting for Non-Exchange Transactions." On the accrual basis, revenues from grants and donations are recognized in the fiscal year in which all eligibility requirements have been satisfied.

Governmental fund financial statements report using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized when they are both measurable and available. Measurable means the amount of the transaction can be determined. Available means collectible within the current period or soon enough thereafter to pay current liabilities. The School considers revenues to be available if they are collected within 60 days of the end of the fiscal year. Florida Education Finance Program (FEFP) revenues are recognized when received. A one-year availability period is used for revenue recognition for all other governmental fund revenues. When grant terms provide that the expenditure of funds is the prime factor for determining eligibility for federal, state, and other grant funds, revenue is recognized at the time the expenditure is made. Expenditures are recorded when the related fund liability is incurred, except for long-term debt principal and interest which are reported as expenditures in the year due.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Basis of Accounting

In compliance with Florida Statutes, the Board of Directors adopts an annual budget using the modified accrual basis of accounting. During the fiscal year, expenditures were controlled at the object level (e.g., salaries, purchased services, and capital outlay) within each activity (e.g. instructional, pupil personnel services, and school administration). Any revisions to the annual budget are approved by the Board.

Cash

Cash deposits consist primarily of demand deposits included in pooled cash, held by banks which are qualified as public depositories under Florida law. Deposits on hand at financial institutions are insured by the Federal Depository Insurance Corporation (the "FDIC") and collateralized with securities held in Florida's multiple financial institution collateral pool as required by Chapter 280, Florida Statutes.

Capital Assets and Depreciation

Capital assets purchased or acquired are carried at historical cost or estimated historical cost. The School capitalization levels are \$1,000 on tangible personal property. Other costs incurred for repairs and maintenance are expensed as incurred. Capital assets are depreciated using the straight-line method. When capital assets are disposed, the costs and applicable accumulated depreciation are removed from the respective accounts, and the resulting gain or loss is recorded in operations. Estimated useful lives, in years, for depreciable assets are as follows:

	Estimated
	Useful Lives
	(years)
Buildings	39
Improvements other than buildings	10
Furniture, fixtures and equipment	10
Software	3
Vehicles	5-10

Compensated Absences

The School grants a specific number of days for sick/personal leave. Full-time office and administrative employees are eligible for up to ten days of active work during the ten-month period (a "benefit year"). Teachers are eligible for up to seven days of active work during the benefit year. In the event that available time is not used by the end of the benefit year, employees may not "rollover" all unused days for use in future benefit years. There is an opportunity for teachers to "cash out" unused days; however, teachers may only cash out if they have not used their seven eligible days by the end of the benefit year.

GASB Codification Section C60, *Accounting for Compensated Absences*, provides that compensated absences that are contingent on a specific event that is outside the control of the employer and employee should be accounted for in the period those events take place. Accordingly, these financial statements do not include an accrual for compensated days available to be used in future benefit years.

The School also provides certain days to be used for specific personal matters such as family death and jury duty. Because the use of such days is contingent upon those events taking place and such events are out of the control of both the employer and the employee, there is no accrual for such days.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Government-wide Fund Net Position

Government-wide fund net position are divided into three components:

- <u>Net investment in capital assets</u> consists of the historical cost capital assets less accumulated depreciation and reduced by the outstanding balances of any borrowings that are attributable to the acquisition or improvement of those assets plus deferred outflows of resources less deferred inflows of resources. The net investment in capital assets for the year ending June 30, 2022, was (\$381,797).
- Restricted net assets consists of net assets with constraints placed on their use either by external groups such as creditors, grantors, contributors or laws or regulations of other governments less related liabilities and deferred inflows of resources. Restricted net assets at June 30, 2022 were \$1,499,801.
- Unrestricted all other net position is reported in this category.

Governmental Fund Balances

In the governmental fund financial statements, fund balances are classified as follows:

- <u>Non-spendable</u> fund balance associated with inventories, prepaid expenses, long-term loans and notes receivable, and property held for resale (unless the proceeds are restricted, committed, or assigned). At June 30, 2022, the non-spendable fund balance was \$10,000.
- Restricted fund balance category includes amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation. At June 30, 2022, the restricted fund balance totaled \$1,499,801.
- <u>Committed</u> fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the School's Board of Directors. At June 30, 2022, there is no committed fund balance.
- <u>Assigned</u> fund balance classification are intended to be used by the School's management for specific purposes but do not meet the criteria to be classified as restricted or committed. At June 30, 2022, there is no assigned fund balance.
- <u>Unassigned</u> fund balance is the residual classification for the School's general fund and includes all spendable amounts not contained in the other classifications.

Order of Fund Balance Spending Policy

The School considers restricted or unrestricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available and committed, assigned, or unassigned amounts are considered to have been spent when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

The School has a revenue spending policy that provides guidance for programs with multiple revenue sources. The finance officer will use resources in the following hierarchy: debt proceeds, federal funds, state funds, local non-city funds, city funds, and funds passed through the District. For purposes of fund balance classification, expenditures are to be spent from restricted fund balance first, followed in-order by committed fund balance, assigned fund balance and lastly unassigned fund balance. The finance officer has the authority to deviate from this policy if it is in the best interest of the School.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Sources

Revenues for operations will be received primarily from the District School Board of Lee County (the "School Board") pursuant to the funding provisions included in the School's charter. In accordance with the funding provisions of the charter and Section 1002.33, Florida Statutes, the School will report the number of full-time equivalent (FTE) students and related data to the School Board. Under the provisions of Section 1011.62, Florida Statutes, the School Board reports the number of the full-time equivalent (FTE) students and related data to the Florida Department of Education (FDOE) for funding through the Florida Education Finance Program. Funding for the School is adjusted during the year to reflect the revised calculations by the FDOE under the Florida Education Finance Program and the actual weighted full-time equivalent students reported by the School during the designated full-time equivalent student survey periods.

The School may also receive federal grant awards and State financial assistance for the enhancement of various educational programs. Federal awards and State financial assistance are generally received based on an application submitted to and approved by various granting agencies. For federal awards and state financial assistance in which a claim to these grant proceeds is based on incurring eligible expenditures, revenue is recognized to the extent that eligible expenditures have been incurred. This activity is recorded in the Special Revenue Fund and Capital Outlay Fund. Additionally, other revenues may be derived from various fundraising activities and certain other programs.

Income Taxes

Oak Creek Charter School of Bonita Springs, Inc. qualifies as a tax exempt organization under the Internal Revenue Code Section 501(c)(3), and is, therefore, exempt from income tax. Accordingly, no tax provision has been made in the accompanying financial statements. The School has evaluated its tax position for all open tax years and has not identified any uncertain tax positions prior to year ending June 30, 2022.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The School has evaluated subsequent events and transactions for potential recognition or disclosure through September 9, 2022, which is the date the financial statements were available to be issued.

NOTE 3 - CASH DEPOSITS AND CREDIT RISK

The School maintains its cash and cash equivalents in one major banks. Deposits are insured by the Federal Depository Insurance Corporation ("FDIC") up to \$250,000 per depositor, per financial institution. As of June 30, 2022, bank balances held in financial institutions exceeded the FDIC limit by \$1,902,879.

NOTE 3 - CASH DEPOSITS AND CREDIT RISK (Continued)

All School deposits are held in qualified public depositories pursuant to Chapter 280, Florida Statutes, the "Florida Security for Public Deposits Act". Under the act, all public depositories are required to pledge eligible collateral having a market value equal to or greater than the average daily or monthly balance of all public deposits times the depository's collateral pledging level. The collateral pledging level may range from fifty percent to one-hundred-twenty-five percent depending upon the depository's financial condition and the length of time the depository has been established.

NOTE 6 – LEASE LIABILITY

The School previously entered into a lease agreement with Forza Education Management, L.L.C. ("FORZA") to lease a vehicle, which was reflected as a capital lease. The School has implemented GASB Statement No. 87 Leases, and as a result, reflects this agreement as a lease right of use asset and liability in these financial statements. The interest rate of the lease is 6% which was used to discount the annual lease payments to present the intangible right to use asset and the lease liability as of June 30, 2022. Future minimum payments under lease as of June 30, 2022 are as follows:

Fiscal Year Ending June 30,	P	rincipal	Interest

NOTE 7 – BONDS PAYABLE

In March 2022, the School issued tax-exempt revenue bonds for \$17,090,000 (Series 2022A) and \$735,000 (Series 2022B). The bonds are issued by Florida Development Finance Corporation on behalf of the School and are secured by their related reserve and indenture subaccounts. The Series 2022A bond calls for interest only payments through June 30, 2025, followed by principal and interest payments through the maturity date. The Series 2022B bond calls for interest only payments through June 30, 2022, followed by principal and interest payments through the maturity date. Bonds payable at June 30, 2022 totaled \$17,825,000 as follows:

NOTE 8 - MANAGEMENT STRUCTURE

All policy decisions, including the annual budget, are formulated by the Board of Directors. The Board of Directors has the powers reasonably necessary to manage, operate, maintain, and discharge the duties of the School to include adopting budgets; enter into contracts; adopt, publish, promulgate and enforce rules and regulations; employ on behalf of the School; managers, independent contractors, and any other employees deemed necessary; and acquire, sell, operate, lease, manage, and otherwise trade and deal with property, real and personal.

In July 1, 2016, the School entered into an agreement with Forza Education Management, L.L.C. ("FORZA"), a Florida limited liability company, to facilitate the continuation of the School by performing certain functions relating to the provision of educational services, transportation, food service, personnel management, and the administration and operation of the School in accordance with enrollment, age, and grade level specifications for the School. This agreement will be effective and remain effective through the last day of the Charter Contract, and will automatically renew upon the renewal of the Charter Contract, unless written notice is provided one-hundred-eighty (180) days prior to the Charter Contract expiring. The agreement may be terminated with cause by either party upon a sixty-day notice of material breach, as defined in the contract. The Agreement will automatically renew for a period equal to the charter school agreement extension with the District, unless written notice to terminate by either party is received one-year prior to the expiration date of the agreement.

FORZA shall be responsible for the following services: 1) implementation and administration of the educational program, 2) management of all personnel functions, 3) sound financial operation of the School, 4) business administration of the School, and 5) installation of necessary technology. The annual management fee for these services is 14% of all sources of gross receipts of the School excluding borrowings undertaken by the School. During the year ended June 30, 2022, the School incurred management fees of \$848,075. At June 30, 2022, the School owed \$49,433 for fiscal year 2022 management fees, which are included in accounts payable.

Recoverable Grant

During the year June 30, 2022, the School was awarded a \$200,000 recoverable grant from FORZA, which is included in other revenue in the accompanying financial statements. The purpose of the grant is for the School to fund operating expenses. Under the terms of the grant, the School would repay the grant in the event the School experiences a surplus of its operating budget for any period ending on June 30 of the current fiscal year, following the execution of the agreement dated June 30, 2022. The maximum the School may be required to pay in the future should the School meet the requirements for repayment is \$200,000. There were no amounts due at June 30, 2022 because the School did not meet the above criteria.

NOTE 9 – PROFESSIONAL SERVICES CONTRACT

The School entered into an agreement with Building Hope Services to provide accounting services to the School. The contract, renewable annually, calls for an annual fee of \$100 per student based on enrollment at the beginning of the school year, payable in monthly installments. For the year ended June 30, 2022, the School incurred fees related to this agreement totaling \$52,747.

NOTE 10 – INTERFUND TRANSFERS

During the fiscal year 2022, the general fund transferred \$729,802 to other funds, consisting of a transfer to the debt service fund to pay a portion of required debt service. In addition, the debt service fund transferred \$79,349 to the capital projects fund, to assist in the completion of improvements to facilities acquired via bond issuance.

NOTE 11 - RELATED PARTY TRANSACTIONS

In July 2017, the School entered into an agreement to rent space to FORZA Child Development Center, Inc. for a Pre-K Program that is operated by the management company, FORZA Education Management, L.L.C. (FORZA). The term of the rental agreement has expired and the space is currently rented on a month-to-month basis as needed. Rental income for the year ended June 30, 2022 totaled \$10,700 and is included in local and other revenue.

In prior years, the School purchased buses from Gulf Coast Charter Academy South, a charter school with common board of directors and management. See Note 5.

The School entered into a recoverable grant agreement (see Note 8) and a lease agreement (see Note 6) with FORZA.

NOTE 12 – COMMITMENTS AND CONTINGENCIES

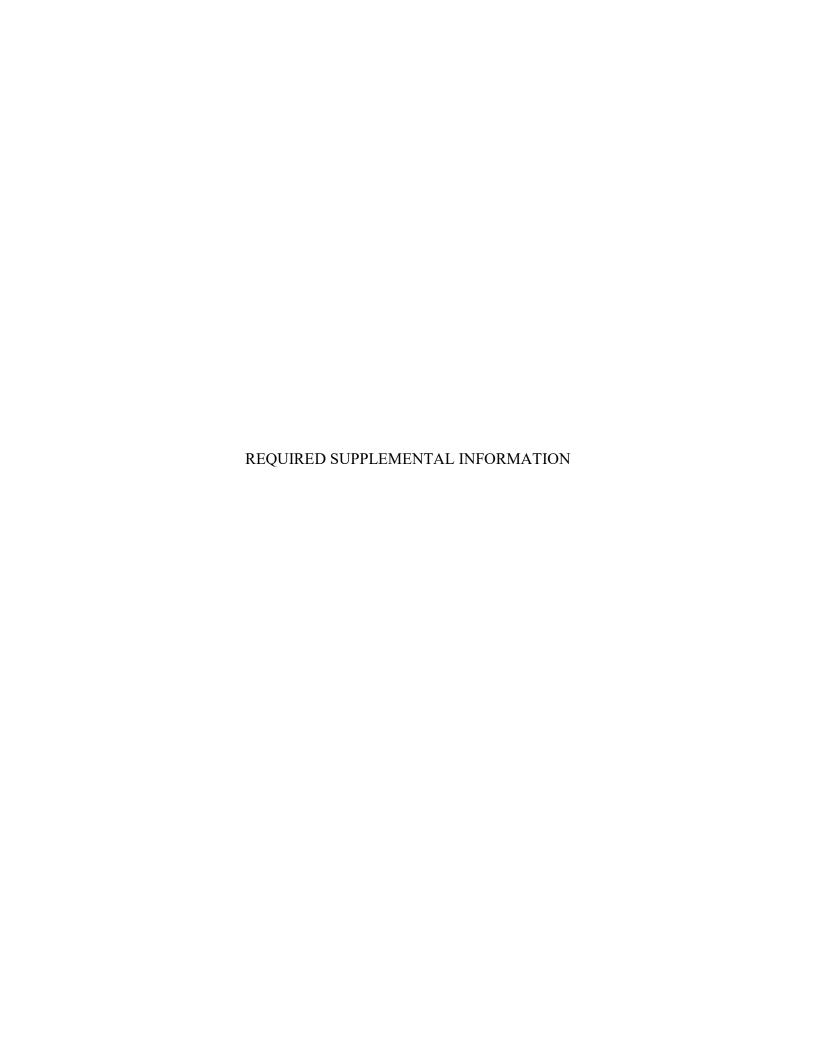

In the normal course of operations, the School receives grant funds from various federal, state, and local agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as the result of these audits is not reflected in these financial statements. In management's opinion, there will be no adjustments resulting from future audits on grant periods through June 30, 2022, which will have a material effect on the financial statements.

NOTE 13 – RISK MANAGEMENT

The School is exposed to various risks of loss related to torts, thefts of, damage to and destruction of assets, errors and omissions, and natural disasters for which the School carries commercial insurance. Settlement amounts have not exceeded insurance coverage in the past. In addition, there were no reductions in insurance coverage from those in the prior year. The School does not sponsor a public entity risk pool and has had no settlements that have exceeded their insurance coverage.

NOTE 14 – COVID-19 PANDEMIC

The World Health Organization ("WHO") declared the coronavirus (COVID-19), a global pandemic and public health emergency. At this point, the School cannot reasonably estimate the extent to which COVID-19 may continue to impact the School's financial statements and future results of operations.

OAK CREEK CHARTER SCHOOL OF BONITA SPRINGS, INC. NOTES TO REQUIRED SUPPLEMENTARY INFORMATION FOR THE YEAR ENDED JUNE 30, 2022

NOTE A – BUDGETARY INFORMATION

Budgetary basis of accounting

The School's annual budget is adopted for the entire operations at the combined governmental level and may be amended by the Board. The budget presented for the year ended June 30, 2022, has been prepared according to Board procedures. During the fiscal year, expenditures were controlled at the fund level.

Although budgets are adopted for the entire operation, budgetary comparisons have been presented for the general, special revenue and debt service funds for which a legally adopted budget exists.

Budgets are presented on the modified accrual basis of accounting consistent with generally accepted accounting principles. During the fiscal year, expenditures were controlled at the object level (e.g., salaries, purchased services, and capital outlay).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors of Oak Creek Charter School of Bonita Springs, Inc. Bonita Springs, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Oak Creek Charter School of Bonita Springs, Inc. (the "School") as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, and have issued our report thereon dated September 9, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT LETTER

Board of Directors of Oak Creek Charter School of Bonita Springs, Inc. Bonita Springs, Florida

Report on the Financial Statements

We have audited the financial statements of Oak Creek Charter School of Bonita Springs, Inc. (the "School"), a non-major component unit of the District School Board of Lee County, Florida, as of and for the fiscal year ended June 30, 2022, and have issued our report thereon dated September 9, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Chapter 10.850, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with Government Auditing Standards. Disclosures in that report, which is dated September 9, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings and recommendations made in the preceding annual financial audit report.

Official Title

Section 10.854(1)(e)5., Rules of the Auditor General, requires that the name or official title of the entity and the school code assigned by the Florida Department of Education be disclosed in this management letter. The official title and the school code assigned by the Florida Department of Education of the entity are Oak Creek Charter School of Bonita Springs and 364281.

Financial Condition and Management

Sections 10.854(1)(e)2. and 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not the School has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, we determined that the School did not meet the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financials condition assessment procedures for the School. It is management's responsibility to monitor the School's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same. The financial condition assessment procedures applied in connection with our audit has lead us to believe that the School's overall financial condition as of June 30, 2022 is not deteriorating.

Section 10.854(1)(e)3., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such findings.

Transparency

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether the School maintains on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that the School maintained on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes.

Additional Matters

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the Board of Directors, applicable management, and the School Board of Lee County, Florida, and is not intended to be and should not be used by anyone other than these specified parties.
